

EVENT REGISTRATION AND FEE INFORMATION

Pulling ages for kids are 3 through 11. All kids pull for free between these ages. Our goal is to eventually be able to sponsor kids to the Nationals.

There is a \$25 fee to sanction events. We encourage event to pay this fee as they are included in all promotions at sanctioned events. This fee will also help with expenses for the state pull.

We believe in networking, therefore each events name, date and time of pull will be on a handout given to spectators at all pulls. This attraction is a sure attendance booster as kids follow our pulls hoping to qualify for the state and national championships.

YOU MUST LIST THIS EVENT WITH YOUR EVENT INSURANCE CARRIER.
